FUNCTION NUMBER	Renewal Conditions / Limitations / Comments

An application to renew a license may be submitted after January 1 in the year of expiration. You are responsible for the following renewal conditions even if you do not teach in this licensure period. Licensing information is available at http://education.state.mn.us

Renewal of license(s) will require completion of 125 clock hours verified by a Minnesota local continuing education committee. If you have been or are currently employed by a Minnesota school district, please contact the district's local continuing education committee.

.

If you do not live in Minnesota and have never been employed in Minnesota, you may renew your license by submitting an official transcript verifying 12 quarter or 8 semester credits in the licensure area(s) or in general education courses. These credits must have been earned within the five year period immediately preceding the renewal.

.

Both of the renewal options indicated above must include the specific professional development requirements in rules that are in effect at the time of renewal.
